Queens Discussion Group

Queens is a Program that will create an environment for African American Women on campus to have a positive outlet and discuss imperative topics for the improvement of communication networks and constructive interaction between African American women.

This program seeks to create bonds with women through conversation of critical thinking on topics such as:

- Feminism
- Violence Against Women
- African American Women Leadership
- Current Events
- Lesbianism
- Gender Inequality

Queens is a program that will give women the opportunity to progress with topics to embody respect and become knowledgeable of what it means to be personified as a women.
