AMERICAN INDIAN CRAFT NIGHT
5 p.m.-7 p.m. • Parkinson Laboratory room 110
Sponsored by: SIU SACNAS chapter
Please RSVP. Email: siucsacnas@gmail.com

Throughout the Semester:
The University Museum is displaying an unusual but everyday object from the Cree people of North America. It is a goose decoy made from a bundle of branches lashed together to create the shape of a goose. The decoy was found on the shore of Hudson Bay, near the Cree village of Whapmagoostui. It is about 50 years old.

Learning Outcome: Cultural Competency

AMERICAN INDIAN CRAFT NIGHT
5 p.m.-7 p.m. • Parkinson Laboratory room 110
Sponsored by: SIU SACNAS chapter
Please RSVP. Email: siucsacnas@gmail.com
